The trainees (Fresh and Pass outs) of the institute shown a much interest in the program and were ready to join the Indian Army at first. A good Number of the trainees were got selected in the Agnipat Scheme.

YOGA DAY: Yoga for self and society

On 21st June 2024 the yoga was practiced in the institute as yoga is an ancient physical, mental and spiritual practice. This year marks the 10th International Day of Yoga with the theme "Yoga for Self and Society." Yoga, a transformative practice, represents the harmony of mind and body, the balance between thought and action, and the unity of restraint and fulfillment. It integrates the body, mind, spirit, and soul, offering a holistic approach to health and well-being that brings peace to our hectic lives. Its power to transform is what we celebrate on this special day. Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness. Today it is practiced in various forms around the world and continues to grow in popularity.
